# BAŞKENT UNIVERSITY IN NUMBERS

As the first foundation university providing science and services in the field of healthcare in Turkey, Başkent University is rapidly advancing on its way to become a world brand with its 29 years of tradition and experience. Aiming at the continuous improvement worldwide, at Başkent University which prioritizes quality, all the knowledge and assets provided to our students from kindergarten to doctorate education programs in contemporary light of science have a substantial share in the transformation of Turkey.

At our university, where high-level education based on scientific production is promoted, we supply our students with a conducive teaching environment in which they can prove themselves internationally and contribute to universal values professionally in this sense and improve themselves continuously. With the responsibility of being a pioneering and exemplary university both in our country and abroad, our goal is always to serve humanity and our country at the highest level.

**Prof. Dr. Mehmet HABERAL, MD**

**FACS (Hon), FICS (Hon), FASA (Hon), FIMSA (Hon),  
Hon FRCS (Glasg)**

Founder of Başkent University

President of the Executive Supreme Board

Başkent University, which has an outstanding place among universities in Turkey and the world, is a dynamic, contemporary university by its qualified education opportunities. Başkent University being a preferred 'World University' both in our country and the world, with the independent education environment we provide to our students, aims to raise individuals who have the ability to reach and use the universal knowledge required by the knowledge era, who are dynamic, sensitive to the problems of the country and who protect artistic, cultural and historical values.

In addition to Academic studies, Başkent University enables many possibilities for its students in social, cultural, sports, and artistic activities as well. Our precious students, from that moment you prefer Başkent University, you will feel justifiably proud to be a member of a world university and to graduate from it in the future. You will always feel the warmth and support of the Başkent University Family, having a deep-rooted tradition.

Following the establishments of the Turkish Organ Transplantation and Burn Foundation in 1980, first dialysis center in 1982, first hospital in 1985, Haberal Education Foundation in 1986 by Prof. Dr. Mehmet Haberal; Başkent University was founded in line with Law No. 3961 which was published in the Official Gazette on January 13, 1994 pursuant to Decree-Law No. 515 dating September 14, 1993 with the aim to meet the requirement of higher education institutions and establishing a contemporary education system.

Our Founder and President of the Executive Supreme Board, Prof. Dr. Mehmet Haberal, who performed the first organ transplantation in Turkey and in the Middle East, executed many firsts in the field of General Surgery. Prof. Haberal was elected as the President of The World

Transplantation Society in 2018 and became the first surgeon acting as a president of the World Society.

Being the first Foundation University established in the field of healthcare services, our university is the first Foundation University establishing Faculty of Medicine and awarded the ISO Quality Certificate in the field of healthcare and education. Başkent University, adopted quality as its core principle, has many national and international accreditation certificates. Within the scope of Bologna Process, which is the Restructuring Studies of Academic Programs, our University has been awarded the Europass Diploma Supplement Label and the European Credit Transfer System (ECTS) Label. These labels, express the international validity of our graduates' diplomas.

Başkent University, which is the most preferred Foundation University in Ankara every year according to the statistics of ÖSYM, carries on its education and training activities at 12 Faculties, 1 State Conservatory, 7 Vocational Schools, 8 Institutes and a School of Foreign Languages. Başkent University's educational activities held in multiple campuses of Bağlıca, Ankara, Adana and Konya. Besides the education services, Başkent serves healthcare in other provinces of Turkey such as Alanya, İskenderun, İstanbul, İzmir, Sakarya, Şanlıurfa, Tokat, Yalova and Zonguldak. Başkent University renders service to the community in addition to providing hands on training opportunities for the students by the establishments of Kızılcahamam Patalya Thermal Resort and Gölbaşı Patalya Lakeside Hotels, Kanal B TV Channel, Radio Başkent, Ankara Ayşeabla Schools, Adana Başkent Schools, and İskenderun Başkent Schools. Başkent University is providing all of its needs by Açkar Dairy Products Factory, Alaf Clothing Atelier, iron joinery and carpentry atelier as well as other institutions with an exemption of transportation and banking services.
